

PLEATCO ULTRA

THE ONLY CARTRIDGE USING
TRIPLE-ACTION TECHNOLOGY
FOR ULTIMATE DIRT CAPTURE

► PLEATCO ULTRA POOL REPLACEMENT CARTRIDGE

The only replacement cartridge using triple-action technology for ultimate dirt capture.

Pleatco cartridges are made of high-quality materials, designed to provide efficient filtration and extended longevity. They are engineered to fit a wide range of filters and are known for their durability and performance. Pleatco cartridges are also designed to reduce maintenance costs and extend the life of the pool or spa filtration system.

PurePleat

helps avoid bunching and captures dirt in the outer edges for **easier rinsing**.

Point Bonded

fabric designed for uniformity and stability – plus excellent **dirt capture**

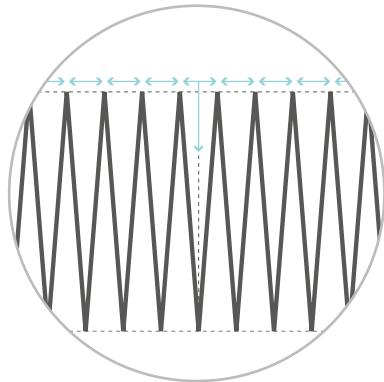

Free Flow Core

creates maximum space for water to reach more of the fabric faster, **reducing operating pressures** on the system

WE'VE IMPLEMENTED
A SOPHISTICATED
MANUFACTURING
PROCESS TO CREATE
PERFECT PLEATS.

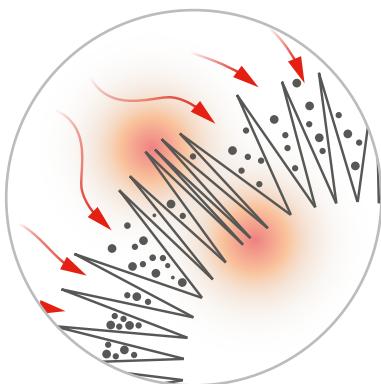

Easy to clean

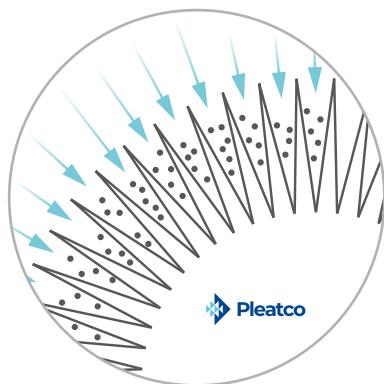

Maintains vertical alignment
& spacing of pleats

WHILE IN ACTION,
A CARTRIDGE'S PLEATS
BEGIN TO LOAD UNDER
ELEVATED WATER FLOW.

Standard filter cartridge
under pressure

Flow favors the path of least resistance
causing pleats to bunch up bypassing
some filtration fabric.

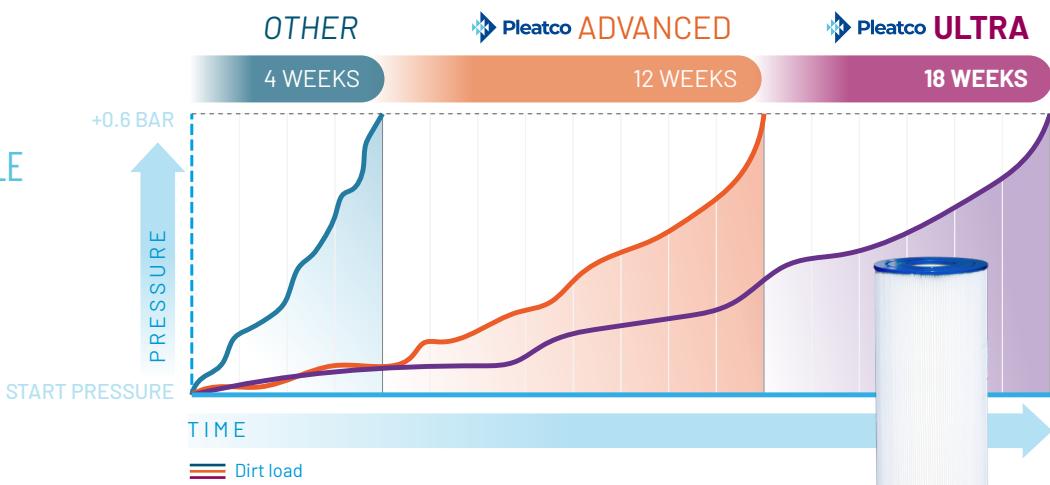

Featuring Pleatco
PUREPLEAT ADVANCED ULTRA

Flow systematically distributed by
evenly spaced rigid pleats with no
bunching up, using the maximum
filtration fabric.
