

FULLY-INTEGRATED SYSTEMS THAT BRING NIGHT-TIME MAGIC TO LIFE

INTELLIBRITE[®]-E

UNDERWATER LED POOL AND SPA LIGHTS

A COMPLETE UNIVERSAL LIGHTING SYSTEM THAT BRINGS THE VERY BEST LED TECHNOLOGY AND CONTROL TO ANY POOL OR SPA

Pentair IntelliBrite®-E lighting is a complete, integrated system of colored and white LED pool and spa lights, mounting systems, accessories and control systems. No matter what your pool design, IntelliBrite-E lighting integrates beautifully; the system is supported by a selection of wall fittings, niches, and trim accessories to make every installation harmonize perfectly with any structure and surface finish. Plus, it's compatible with Pentair lighting control systems and laminars to allow brilliant, coordinated light shows that bring excitement and intrigue to the night.

INTELLIBRITE®-E UNDERWATER LED POOL AND SPA LIGHTS

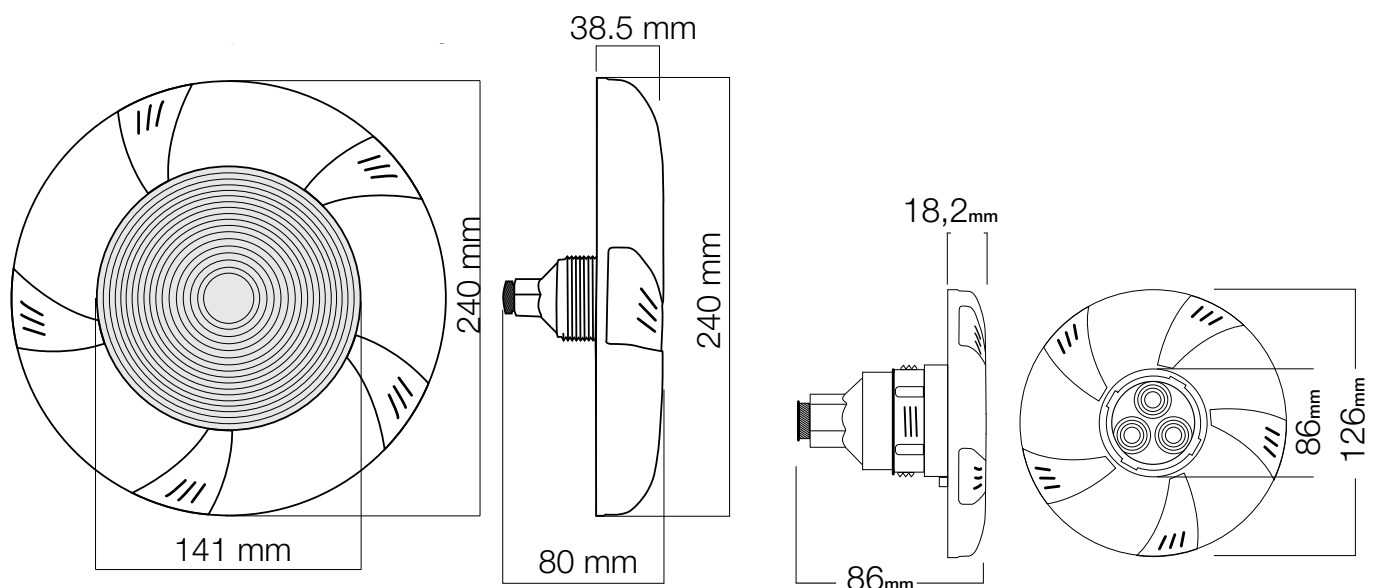

These highly efficient LED lights are the brightest and most efficient underwater LED lights available and allow up to 82% less energy consumption than conventional lights.

Available in two sizes, **these white and color-changing models can be mounted in either wall fittings or in the IntelliBrite-E Niche.** They feature an extra-flat design for beautiful, unobtrusive integration into pool designs. They are compatible with IntelliBrite and ControlBrite® control systems, and they synchronize with MagicStream® laminars as well as other IntelliBrite compatible lights.

- Graphite heat dissipator for extended life
- Unpluggable for easy maintenance
- Includes 3m of cable

Model	Description	Voltage	Watts	Lumen output
INTB-EPWT	IntelliBrite®-E POOL WHITE for wall fitting	12V	44 W	4400 lm

INTELLIBRITE®-E NICHE

UNIVERSAL NICHE FOR INTELLIBRITE-E LIGHTS

The IntelliBrite-e Niche is the smarter, universal niche system that makes IntelliBrite-E light planning and installation simple. It's the only niche system on the market that can host different light sizes and integrate so well with different pool structures and surface finishes.

- A single niche accepts both IntelliBrite-E pool or spa lights
- Easy lock-on system requires only ¼-turn, no risk of cable tangling
- Ultra-compact design
- Cable storage for easy maintenance
- Sealed to keep conduit dry; ideal for overflow pools

INTELLIBRITE® CONTROLLER

WALL MOUNTED CONTROLLER

The IntelliBrite Controller works with IntelliBrite-E Pool and Spa LED lights as well as MagicStream laminars. It can control and synchronize both sets of lights to create dazzling synchronized lightshows. You can choose from seven popular pre-programmed shows or five fixed colors to create the mood for the evening.

- Waterproof outdoor LED color light controller
- Quick access to all colors and shows
- Convenient hold and recall function
- Illuminated power button

IntelliBrite® Controller

CONTROLBRITE®

LIGHTS CONTROLLER WITH REMOTE CONTROL

Add remote control convenience to your IntelliBrite-E lighting system. The ControlBrite controller includes a hand-held remote with up to a 30 m range that allows control of five fixed colors and seven dazzling preprogrammed light shows.

- Compact module is easy to install on a DIN rail in existing electric panel
- Convenient hold and recall function
- Fixed color or light show numbers appear on the display
- Optional Bluetooth® module and smartphone app (available as from 2017)
